

Next Steps for Training Center Leader Candidates

1. **Review** the [Two-Step](#) strategy. Become familiar with the tools. They serve as the content for the training.
2. **Request** to be added to the Training Center roster. [Contact](#) us so you can receive an invitation to the next coaching meeting.
3. **Identify** potential disciple-makers. Create a list of those you know who demonstrate the desire and readiness to make disciples. Don't limit yourself to those in your church. Think of anyone you know. This is a great way to introduce disciple making into a church. Think outside the box.
4. **Invite** them to join the training. A prayerful, personal invitation is much more effective than a public announcement.
5. **Choose** a location and begin training meetings using the Two-Step tools.
6. **Attend** the coaching meetings. They are essential for ongoing encouragement and further equipping.
7. **Dream.** I envision Training Center attendees (trainees) becoming Training Center Leaders who eventually become Training Center Coaches. I picture this process steadily repeating resulting in endless Training Centers and Coaching Centers.
